Arfango takes women's shoes to the next level with these imprinted soles. On the right it says, "If you don't smile, If you are not positive, it doesn't matter, just be sexy" and on the left, "Smiling, Positive, and Sexy"...

Arfango is a brand that goes back from 1902, relaunched back in 2006 by the young Alberto and Andrea Moretti.

Arfango shoes are more commonly associated with their famous modern take on the historic leather mocassins. With Albert and Andrea at the helm Arfango sets to be a sure addition in
